

## **Cremona School Enhancement Society Annual General Meeting.**

Come and join us for our first meeting on Wednesday November 16<sup>th</sup> in the school library. We will start at 6:00pm with a potluck dinner, followed by the meeting at 7:00pm.

This society was formed by a group of parents who wanted to create enhanced learning opportunities for our children. There are many small schools within Alberta like ours who have funding support from an outside society.

The society will enrich programming for technology, arts, athletics and the sciences from K-12. Society status also means we can apply for grants. This will actually bring down some of the extra costs to families. We all want what is best for our kids so this is a positive start to supporting the school.
