

Leadership News

The leadership team has been extremely busy over the last month! From school beautification projects (gardens and painting), to dances, to appreciation notes, to helping set up for the S.A.D.D. presentation – these girls have earned the approaching summer holidays! The Annual Family Dance was a success and all proceeds were donated to the Breakfast Program, Mrs. Ross' accelerated reading program and leadership – we are so lucky to be part of such a generous community. Last Friday was our BBQ Dance for grades 7–12 students and we brought the outdoors into the gym. It was very well-attended and as one student put it, “The best dance ever!”

We had a fantastic time at ASLC (Alberta Student Leadership conference) this year in Lacombe. We were able to take 9 of our members with us along with Mrs. MacDonald and Ms. Frank (thanks for joining us!). This was a great opportunity to meet leadership students from around the province and learn about the great things that they are doing in their schools as well as have a little fun along the way.

We are sad to say goodbye to our grads Brooklyn Heide, Ashlyn Engel, Aprille Walker, Mackenzie Krebs, Terra Boreen, Jessie Brian and Dana Chalmers. You have been an amazing group to work with and we wish you all the best in your future adventures. You will be missed in Cremona School, but know that you have left your mark. These girls have inspired students of all ages to eagerly anticipate their chance to be part of the leadership team in the future.

As the last month of school whizzes by, we encourage everyone to continue with our vision of spreading kindness wherever you go!
