familiar with rural schools helpful. Feedback from us.

Transportation email from Kurt what the budgetary changes for this year. Introducing fees for next year. Discussion on bussing fees increase. Consensus - seems fair. Budget cycle announcement next march with funding formula. A lot of unknowns with the coming budget. Will try to keep these fees for as long as possible but with so many unknown hard to say if it will stay. Further discussion on advanced education.

10. Old Business

- a. Holiday Gift Shop was a great success. Thank you to leadership and to Lorne for use of the library upstairs. It is for the experience for the kids, each year we get free stuff as part of the loyalty program. Will do it again next year!

11. New Business:

- a. Grad meeting last night, looking at funds they have for grad. School council has in the past paid for corsages, class has been given many fundraising opportunities, and they have declined.
- b. Request for funding from school - gym protection cost of \$10000.00. Andrea motions to use \$2000, Janet seconds all in favor motion passed.
- c. Presentation by Robbin Alexander, school wellness worker (counsellor). Thank you Robbin!
- d. Presentation on Feb. 10, 2020 we could use the engagement site for.
- e. Connect group is well received. Usually put on once a year.
- f. Alberta health services – community.hc.ca has lots of webinars and presentations to tap in.
- g. Dr. Jodi Carrington at Carstairs evening event in March or April. Melissa will send more information.
- h. Alberta Teachers Association (ATA) letter writing campaign, asking us to write letters.
